Golfers,

I would like to say thank you for all of you who participated in the 2024 tournaments. Below are a few changes for the 2024/2025 season.

Player of the Year

This year we will be taking the Top 3 in the 2024/2025 Player of the Year points to Arcadia Bluffs. The first tournament to get points in will be the 2-Man Select Shot Championship in September and the last tournament to collect points will be the Fourball Championship. If there is a tie in the Top 3 standings, there will be a playoff on Saturday, August 9th.

To be eligible to qualify you must meet the following criteria: Be in the top three in the 2024 player of the year points after the Fourball Championship, must have played in at least four events on the 2024 Tournament Schedule, and be at least 21 years of age.

Tournament Formats

We are going to have a few changes in some of the tournaments this year. First, because of our bunker renovation we will start the Player of the Year points with the September 2024 tournament. The tournaments in February, March, and April will be a limited field due to us only having 9 holes open. The individual tournaments this year will be the Red, White, and Blue Shootout, and the Par 3 tournament. All the other tournaments will be team tournaments. The Nob North Fourball will have bonus points for the Top 5 low gross and the Top 5 low net for the whole tournament. We will not have the bonus points like in 2024 for individuals who play in all the events due to the tournaments that will have a limited field size.

Handicaps will be applied and reviewed after each tournament.

All tournament scoring will be done on the app.

Start of Tee Times

All tournaments this year, will be a shotgun start.

Payouts

We will be paying out this year, just like last year with golf shop credits. These credits will work just like a gift card. You can use the credits for anything except monthly membership fees, gift cards, and tournament entry fees. Any credit received for the 2024 2-Man Select Shot Championship will expire on December 31, 2024 and all the credits from the rest of the tournaments will expire on December 31st, 2025.

We are looking forward to a great new season. If you have any questions please feel free to give me a call.

Eric Hester
