Golfers,

I would like to say thank you for all of you who participated in the 2021 tournaments. It was our best year we have had for tournament participation. We are looking forward to getting back to our regular full season of tournament golf this year. Below are a few changes for the 2022 season.

Player of the Year

This year we will be taking the Top 3 in the Player of the Year points to Pebble Beach. Last tournament to collect points will be the Fall Shamble. If there is a tie in the Top 3 standings, there will be a playoff on Saturday 17th.

Tournament Formats

We are going to have a few changes in some of the tournaments this year. First, the individual tournaments this year will be the Red, White, and Blue Shootout, the Par 3 tournament, and the Nob North Championship. All the other tournaments will be team tournaments. The Nob North Fourball will have bonus points for the Top 5 low gross and the Top 5 low net for the whole tournament. The Nob North Invitational will be part of the Chattanooga District Golf Association tournament again this year and players who play in it will receive 2 bonus points for Player of the Year.

Handicaps will be applied and reviewed after each tournament.

Tournament scoring will be done on the app.

Start of Tee Times

All tournaments this year, the first tee time will start at 8:30. Depending on weather and participation the times may change and possibly shotgun the tournament.

Payouts

We will be paying out this year, just like last year with golf shop credits. These credits will work just like a gift card. You can use the credits for anything except monthly membership fees, gift cards, and tournament entry fees. The credits will expire on December 31st, 2022.

We are looking forward to a great new season. If you have any questions please feel free to give me a call.
