2021 Player Code of Conduct

- ****NO CALL, NO SHOW**** Annual Golf Members are responsible for 100% of any tee times booked and not cancelled prior to 24 hours in advance. Annual Golf Members who do not show up for the tee time or without all the players reserved for the tee time will be charged the full rate for each player not showing. This will be charged to the member's credit card account number provided on the Annual Agreement.
- The Professional Golf Staff and Golf Course Superintendent will determine playability and rules governing the use of golf carts.
- Arrive 15-30 minutes prior to your scheduled tee time. Allow yourself time to check in with the Golf Shop, purchase any food and beverage, and warm-up.
- Outside alcohol and/or coolers are not permitted at Griffin Gate Golf Club per Kentucky State Law. The Golf Club's liquor license requires that beverages only be dispensed by Golf Club employees. Alcoholic beverage service may be denied to a Member or their guest(s) who appear to be intoxicated or under age. If there is any evidence of outside alcohol brought to Griffin Gate Golf Club, a \$500.00 penalty will be billed to the Member account on file. We appreciate your compliance with these standards and abiding by Kentucky ABC Laws.
- Golfers are to tee off in groups of 4 players or less. Groups of 5 or more players are not permitted at any time unless authorized by Professional Golf Staff.
- After 9 holes, please order any food and beverage quickly to prevent backup on the 10th tee box. For your convenience, you may pre-order by calling (859) 288-6200 before you reach the 9th green.
- While playing, please fill in any divots on the tee boxes, fairways and rough areas with the sand bottles provided on all carts. Please repair your ball marks on the greens before you head to the next tee box.
- Tee Time Booking. You can book tee times online at www.griffingategolf.com from any desktop/laptop, any smartphone, or our mobile app. If it's your first time booking online, you will need to create a profile with your credit card. You will only need to do this once as long as you know your log-in information. Your credit card will not be charged for any online bookings and is encrypted for your protection. Credit cards are

only required for no call, no show purposes. Please note that staffing and increased business levels will prevent us from booking tee times in-person often.

- Please note that the club enforces a dress code policy. Proper golf attire is required in all areas of the golf course. For men, a collared shirt is required and denim is not allowed. For women, a collared shirt is required, and halter tops / swim wear are not allowed. Griffin Gate is a soft spike only facility, tennis shoes are acceptable.
- Our standard pace of play is 4 hours and 20 minutes for 18 holes, or 2 hours and 10 minutes for 9 holes. Please keep pace with the group in front of you and play ready golf. Pace of play violations will be monitored and reprimanded by staff.
- Use of the golf course is subject to compliance by Members with the rules and regulations for use of the golf course, club house, practice facility, golf carts and other facilities as set forth from time to time by management agreement of Griffin Gate Golf Club. Members and their guests must follow all signage, are expected to maintain pace of play, fix all divots and ball marks, and refrain from inappropriate behavior towards Griffin Gate Golf Club patrons and/or staff members deemed unacceptable by the Griffin Gate Golf Club management team. It is agreed that failure to follow the above could result in suspension or full loss of Membership privileges. A loss of such privileges will be at the sole discretion of the management of Griffin Gate Golf Club. If such loss occurs, no payment under this agreement will be refunded.
- The Golfer will be liable for any damage caused to homes, home sites, cars, golf carts, club grounds or other golfers during the course of play.
- Griffin Gate Golf Club reserves the right to host outside, resort, or member functions/outings during the weekdays and weekends as deemed necessary in order to maintain business volumes.
- Griffin Gate Golf Club **does not** have a Lightning Detection System. Therefore, it is the responsibility of each Member to remove themselves from any dangerous weather.
- Free mobile app. Anyone can download our Griffin Gate Golf Club app via smartphone. Once downloaded, you will need to create a profile for yourself within the app. Once your profile is completed, you can make tee times, post your score to the GHIN handicap system, access live GPS, yardage book, pin location card, personal stats tracker, special offers, pro tips, social media sharing, ability to contact the golf shop/19th hole, etc. We highly suggest taking advantage of this free service!
