

## **2018 TOURNAMENTS**

Most months there will be a “mini-Tournament” on the last Tuesday for Guest Day. They are listed on the Calendar. The format and directions will be announced prior to play. The two tournaments below are the main two of the season and most of the information is included in the description, although more details will be available as we get closer to the tournament.

### **June 5th (rain date June 19th) - Solheim Cup Competition**

Team America will compete against Team Europe in a handicapped match play competition. Foursomes will be set up with 2 person teams based on their handicaps that will compete in 9 holes of best ball and nine holes of alternating shots. Each foursome can earn up to 3 points, one point for nine holes of best ball, one point for nine holes of alternating shots and one point for winning the overall 18 holes, to help their American or European counterparts win this international competition.

### **July 24th, 31st and August 7th (rain date August 21) - League Championship**

The League Championship will be a best 2 out of 3 gross score competition. The League Champion will be the player with the lowest 2 day total gross score played from the red tees. The lowest 2-day total gross score in each flight, determined by the handicaps of the participants, will also win a prize. The blended tees will be one flight.

Qualification for this tournament is based on 50% league play prior to July 17.

Participation in a Tuesday SWGA competition will be counted as league play.
