GEOLOGY OF THE COACHELLA VALLEY: FEBRUARY 12, 2026, AT 3:00 PM IN THE LAKES ROOM

Kerry Berman's lectures are educational, entertaining, and high 'octane.' He is considered one of the most knowledgeable Certified Interpretive Guides in the Sonoran Desert, as well as a California Naturalist and Conservation Ambassador. He teaches geology, history, renewable energy, water, flora and fauna.

Kerry has volunteered at Friends of The Desert Mountains, The Living Desert Zoo and Gardens, and the Coachella Valley Preserve. He has instructed for Olli at CSUSB and UCR in Palm Desert and he enjoys conducting tours throughout the Valley for residents and visitors, and taking 4th - 6th grade students on field trips.

At 3:00 pm February 12, 2026, Kerry will share with us the "Geology of the Coachella Valley."
Come and learn the history of where we live!
