

Condos in Bloom Nomination Form

There are a growing number of condominiums and residents that take their summer landscaping very seriously. We would like your assistance in acknowledging their efforts this summer by nominating either an individual or a complex for their green thumb expertise and beautiful design that can brighten up anybody's mood when they pass by.

The contest is open to all condominium owners and corporations in North Alberta (Red Deer and north). You can nominate yourself or your complex (don't be shy) or any other unit or complex that catches your eye. **Winning entries will be recognized at our Annual General Meeting and in the fall issue of Insite to Condos magazine.**
