HERITAGE FOUNDATION TRAINING TEAM:

Site Project Coordinator: Mr. Naheem Shah  
Lead Trainer: Ms. Sumaira Batool

TRAINING SESSION:

The training session started as per schedule, with the arrival of the trainees at the Eco-Village Moak Sharif. Site Project Coordinator, Naheem Shah conducted the training where he briefed the participants on the One-room Shelters, Karavan Latrine and their different stages of construction. The trainees were taught how to keep a check on their construction quality against the HF provided guidelines and various building tools and techniques along with their uses.

The second half of the session focused on Raised Bed Farming, its purpose and functionality along with its benefits.

The third session conducted by Sumaira Batool, HF’s Lead Trainer discussed Roof Farming and the seasonal vegetables that could be grown organically. The trainees were taught about the method for roof farming, placement of tarpaulin and watering techniques.
