

January 2016

Dear Friend of the Elmhurst Symphony Orchestra,

The Elmhurst Symphony Association will be holding a **Silent Auction** at our **March 13, 2016** concert at the Elmhurst Christian Reformed Church to benefit the Elmhurst Symphony Orchestra. All funds raised by this event will go to support the continuing programs of the Elmhurst Symphony Association, but we can't do it without your help!

The Elmhurst Symphony Orchestra is a cultural gem of the western suburbs – one that attracts a sophisticated audience looking for an evening of entertainment, dining and cultural experiences.

We bring exhilarating performances right to the heart of the local community. Every concert has something for everyone. World-class music and highly professional players, led by our outstanding conductor plus spectacular collaborations with a wealth of guest performers and groups allow us to offer a diverse repertoire and the chance to see both acclaimed and up-and-coming artists.

Your support will help us to maintain classical music's position as a pillar of our community's diverse cultural offerings for generations to come.

The Silent Auction will offer concertgoers a wonderful variety of quality items donated by businesses and organizations such as yours. A range of selections will surely pique the interest of our guests.
