# ***Mulch...and mulch, mulch more!***

## **Mulch Sale was a huge success!**

### Fun Facts about the 2019 Mulch Sale:

- 5280 total bags ordered. It took 6 flatbed tractor trailers to deliver 88 pallets!
- Most popular mulch color was black.
- Largest individual orders were for 100 bags. We had 4 of these orders.
- 275 total orders placed, 260 of them were delivered.
- 45 student volunteers, 35 parent volunteers.
- To the parent drivers who purchased food while on the road for their student helpers, thank you!
- Despite the fog, wind, rain, cold, and mist we were able to deliver 1,000 more bags than last year and it only took one extra hour to do so.
- Student accounts will be credited from mulch sales in the coming weeks.
- Next week, remaining mulch will be donated. If you want some now you can buy for ½ price, but student accounts are not credited for ½ price sales.
- Remaining bags are composted mulch, red mulch, cedar mulch, and landscapers mix (blended compost).
- Contact Beth or Karen at [operations@johnsonjaguarband.org](mailto:operations@johnsonjaguarband.org) with any questions regarding mulch.

## *Mulch and Middle School Taping Events*

THANK YOU to all students and parents who helped to make both of these events run so smoothly on the same day!

*And a final huge thanks...*

THANK YOU to students  
and parents who have filled  
– and continue to fill – many  
CTJ Band concessions  
assignments!
