Sir,

With reference to the above letter No 4150 dated the 30th inst. Requesting to know whether the C.O. & Cy. letter No. 9592 dated the 2nd Sept 1912 considers to be objectionable. They to report that on several occasions permission to build as well as subdivide the plot was refused. But one Jetha Co-occupant has applied to put build a Compound wall which was granted. While he was building the same he has constructed rooms on the portion of the plot. After good deal of Correspondence the C.O. Cy has stated - "If the Engineer is satisfied with the plan now submitted it may be approved" hence Permission has been sent to the owner to apply to the C.O. Cy. as the rooms have been built on Sanitary principal. there seems no objection to waive the objection raised on the above letter No 9592 dated the 2nd instant.
