Re: - Plot No. 96/A. Depot Lines.

In continuation of the Chief Officer's D/O dated the 6th instant, I have to inform you that there is no objection from Municipal point of view to the plans for the proposed dispensary on the above plot. If the plot had been in Municipal limits and was unencumbered by any conditions of sale, sub-division, etc. the plans would be approved by the Municipal Corporation.

Dear Sir,

Plot No. 96, Depot Lines

I want to build a dispensary in the above plot and knock down the present structure which is standing there. Though this plot is in the Cantonment area, as eventually it will be municipal land, the Cantonment authorities want me to get from you a "no objection" certificate before they could allow me to construct the building for the dispensary.

I am therefore sending you herewith a plan of the building I want to construct, and shall be very much obliged if you will kindly expedite and send me the necessary "no objection" certificate to enable me to commence the work.

Thanking you,

Yours faithfully,

K.H. Katrak
