Sir,

With reference to the attached letter from the Honorary Secretary, Karachi Gymkhana I beg to report that the lavatory is used as a godown now. Further, I beg to report that it has no drainage connection at all. The water works maistry may be asked to report whether there is any water connection, which the owner wants to discontinue.

Yours obediently

Sir,

There is no question of
water connection to be dis-

continued, but there is a
childrens lavatory which
they do not want to connect
with drainage and intend
to use it as an office or
godown.

Acting Engineer,

Karachi Municipality,

K A R A C H I .

Dear Sir,

In reply to your letter of 13/15th, September it was decided at a Committee of the Gymkhana that in view of the fact that the ~~first~~ childrens lavatory ^{has} was hardly ever been used for the purpose for which it was intended - the building should be employed as an office or additional godown. The matter of drainage therefore need not be proceeded with.

Yours Faithfully,

Dear Sir,

In reply to your letter dated July 8/11, but only received on July 15th, I should refer you to your No. L.S. 1576 of 1919 in which the writer points out that it would be desirable to connect the children's lavatory at the Gymkhana with the main drain

I regret to inform you that I read the letter accordingly not as a demand that this work should be put in hand. As, however, you think it necessary that this should be done, I will look into the matter without delay.
