Reply.

It has been reworded that
deviations from the sanctioned amended
plan have been made in the
new building. Your application
for water connection is
with-held until a fresh plan
is submitted.

10/1/24

H/c

The Inspector should always
state exactly what is the
deviation?

Building Inspector for
compliance please.

Application for Water from Karachi Water Works for Flushing Purposes.

To

THE CHIEF OFFICER,

KARACHI MUNICIPALITY.

SIR,

I hereby apply to have Malir Water laid on through 3/4 inch pipe to my premises which stands in the books of the Municipality, under Survey No. 20116, Survey Sheet No. A 16 K 4 a situated in Sea Street, Sea Quarter Quarter, for flushing purposes.

I hereby agree to allow any person connected with the Municipal Office to inspect at any time the aforesaid premises for any purposes connected with the works, as provided in the Municipal Rules.

I, while laying the piping, agree to open not more than half the width of the public road at a time, and then only after providing proper fencing and I further agree to provide red lamps at night, one lamp to be fixed at each end of the fencing in a position to be distinctly visible to any one coming from either direction.

I also agree to get the service pipes laid on to my house by a plumber holding a certificate from the Municipality.

I undertake to take no branch to any other house in the same compound or to any house or compound on an adjoining plot without the previous sanction, in writing, of the Municipality.

I also agree to use the connection given me free for flushing purpose for these purposes only and for no other purpose and not to take any branch from such connection for any other purpose. In default hereof I shall be liable to the penalty provided in Bye-law 9 of the Water Bye-law of the Karachi Municipality, Appendix E.

I further agree to act in conformity with the Bye-laws and other Rules which the Municipality may promulgate from time to time.

I have the honour to be,

Sir,

Your most obedient servant,

Karachi, _____ 192
