Sir,

I have the honor to inform you that the Managing Committee of the Furrachee Municipal Commission at their weekly meeting held yesterday passed the following Resolution in reply to the 1st and 2nd Para of your Memo No. 328 of 1864 Revenue Department -

"That it be pointed out to the Collector, that the Managing Committee's Proposition contained in their former Resolution forwarded by the Municipal Secretary's letter No. 180, referred merely to the extension of time for building, and not to the Grant of land, and that, applications for such extension of time have hitherto been disposed of by the Committee."

The Manager

In reply to your letter N^o 15-3 dated
 23 Inst. I beg to inform
 the Managing Committee that when
 I wrote my memo N^o 328 of 1864
 I was aware that their former
 Res. applied only ^{to the purchase of land} ~~to the purchase of land~~
 for building - Under the rules ^{for purchase of land} ~~for purchase of land~~
 the time allowed for building has expired &
 the land, if the building has not been
 completed, lapses to Govt. & therefore
 it rests with Govt. to grant any
 extension & the order of the Collector
 is requisite.

As regards the statement that ~~such~~
 such applications have hitherto been presented
 & disposed of by the Man: Committee this is
 I believe an error for I do not think
 the Man: Committee ~~should~~ ^{should not} have
 any ~~disposal~~ of such applications
 without reference to the Collector. When
 the Collector sits as Chairman he can
 at the time state if he sees no objection
 & then a separate reference is unnecessary
 as he signs the Res: but in his absence
 his consent ~~shd.~~ ^{should} always be applied for
 This is for several reasons necessary one of the
 most important being that he may see that
 the necessary entry is made in the Coll: Report

that all such applications
