Karachi, 19th June 1919.

The Acting Chief Engineer,

Karachi Municipality,

Karachi.

Sir,

With reference to your Memo No. L S 2282 dated

9/10th I beg to state that the existing roof of the top floor was very low and insanitary. This has been raised and completely removed as the roof was unfit for habitation in the original condition when the roof was low. If you are good enough to inspect the place you will find that the raised roof is only a shed and not a room as alleged. I therefore request you to cancell your order and allow me to complete the work which has been stopped since your notice under reply. The Memo No.1676 dated the 4/7th April 1919 referred to in your letter has not been received by us and hence delay.

I beg to remain,

Sir,

Your most obedient servant.
