Collector's Office,

Karachi, 17th September 1909.

Sir,

I have the honor to acknowledge receipt of your letter No. 8205 of 9th instant regarding land acquired for the new wagon repairing shop at Karachi.

2. You forward revised plans and schedules which you say have been prepared in consultation with the Chief Officer, Karachi Municipality, in respect of 56.61 acres of land: but you will see from my letter No. 3999 of 26th ultimo that an area of 35.97 acres only was transferred to the railway: this is the area asked for and nothing more than this has been handed over.

3. If any additional area is required for mal application therefor must be made.

4. I may however point out to you at once that it will not be possible to transfer to the Railway the whole of the triangular plot the apex of which touches the south east corner of the cemetery. A portion of this measuring with cantonment land 562 by 300 feet has already been reserved under Government sanction for the extension of the cemetery.

5. The plans and schedules are returned.

I have the honor to be,
Sir,
Your most obedient servant.
