Karachi, 1st February 1908

Dear Sir,

It has been decided by the Manager that a new yard is required immediately for repairing damaged wagons at Karachi Cantonment and the only suitable site for such a yard is as shewn on the attached tracing from which you will see that it cuts into the area proposed for the Strachan Quarter. The estimate for the wagon ~~repairing~~ repairing yard has not been sanctioned yet but as it is very urgently required I expect sanction will be very shortly accorded. I therefore write to advise you of this fact as it may save you future trouble in rearrangement of the plots.

Yours Faithfully

D.A.
