Re: Unauthorised shed on plot no 53, A30
Nahin gr.

Remo:-

W/s L. H. L. to forward to the M.C. the Comptroller
regarding the unauthorised shed erected on the above
plot of the Samaldan Chauderian.

He has applied for permission to build a shed on
11th Feb 1924. Remo replied as per this office letter no
984 of 27th Feb. to submit a plan.

In reply of submitting the plan the shed was
erected & a notice under this office letter no 1688 of
25 March was given to the owner to submit a plan or to
remove the same within 7 days.

On 5th May the plan was submitted & accepted
and the office letter no 4988 of 10 Sept. 1924
returned stating that the shed in question will render
the existing building, insanitary & the structure
is made of inflammable materials.

The owner was reminded two times as per this
office letter nos 5665 & 5973 of 9/10/24 & 24/10/24
to remove the unauthorised shed, but no
attention has been paid by the owner.

Under the Comptroller's W/s request the
action of the M.C. to remove the shed &
to prosecute the owner under Sec 86 & 155.

B.S

Now that the Mill is opened
arrange for a joint committee
with H.O, the owner & the U.S.

& decide as to what changes should
be made. If the owner does not do it
it proves that the shed existed before, then
the matter will have to be dealt with according to
what is decided.

The shed is removed
& the mill worked has shifted to
another place. 14/1/25
