Sir,

I beg to submit herewith amended
plan of Sheet F.15. Saddar Bazar quarter.

The amendments are slight and chiefly
due to my desire to make the thin walls
of servants W.C. & bath thick viz of stone
instead of wood & plaster.

Submitted with the report
 the applicant wants to make
 the front wall of W.C. & bath
 pucker, & by this arrange-
 ment to away with the
 6x6' air space and provide

2 sets of sanitary arrange-
 ments between the ground
 floor & 1st floor. The height of 1st floor is 20 ft.

The rear wall of W.C. is
 already of stone masonry
 & there was no necessity of
 showing it in red.

As the W.C. is not contrary
 to bye laws & there is much
 open space left on the plot
 there appears no objection
 to allow the same.
