Sir,

With reference to the City Deputy
Collector's letter of 5. 12. 14. dated the 12th inst.
with a sketch of the compound walls
to be built on plot no 121. The
quater, they report that this plot
has only one road. and towards
the north end. Vacant land on which
they propose to open doors & windows.
and it is not known whether there
will be a road to be provided.
It maybe considered to allow to
build a compound means to
allow the plot to be divided
into divisions as it purchased
by four defunct timber merchants.

Forwarded to the C.D.C.
for orders. The applica-
tion is to sub-divide plot
No. 121 K.9 Gyare G. and
open boundaries on Municipal
land on the north. It is
probable that a road will
be required along the north
of this plot in which case
permission may be
given to open the doors
and windows. The plot is
a large one & a thing
that appears to be
left for a road between
A & B (on tracing) before
permission is given to
build a fence compound
