M E M O:-

With reference to his personal interview Mr. Tulsidas Tarachand is informed that drainage work on plot No. 32, A-25 Napier quarter should be stopped in the meantime till next inspection of the premises which were not accessible on the last visit owing to the same being locked up.

He is further informed if the premises are not kept open for the purpose on the next inspection, steps will be taken to remove the unauthorized work.

Karachi, 13th April 1921

The ~~Chief~~ Engineer
Karachi Municipality

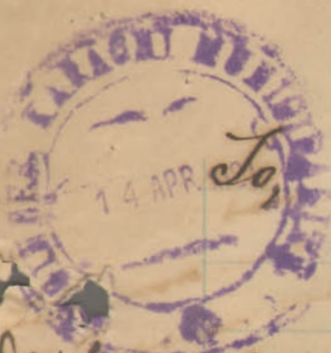

Sir,

With reference to your letter no. L.S. 309 dated 17th March 1921, I beg to state that I am a business man and I have to go every now and then outside on my work. Therefore I left entirely all the responsibility of the building upon my mistress. After I returned from outside I saw that the side walls were made 9 inches thick including plaster and the brick work. This is contrary to my plan for the building but I am sorry to see that the work has been completed in my absence. Now I am ~~in a~~ and I can not hit upon any way to alter it according to the old plan.

I shall be very thankful to you if you kindly suggest to me any other way without putting me in great trouble of the expenditure and without damaging the present building.

For this act of kindness I shall remain thankful to you.

I am, Sir
Your most obedient servant
Vishindas Tarachand

Memo.

Mr. Tulsidas Tarachand.~~is~~ informed that it is observed that in building~~his~~ Building on Plot No. 32Survey Sheet A 25, Rapin Quarter,~~he is~~ deviating from the approved plan, He is erecting
the two side walls only 6" thick
instead of 1-6". & the open space is kept
4' x 3' instead of 5' x 4'Instructions are therefore given to ~~him~~ to at once stop the work and
make the building in conformity to the approved plan, or steps will be taken
under the Act.M. J. Khan
