Dear Sir

Re buildings on plot No: 8/13. 1-12. garden quarter.

with reference to your Memo No:L.S. 2747 dated 4th instant, we beg to inform you that the original plan approved of by you shows the area of the bugalow to be 216 yards & that of the outhouses 98sq: yards, thus the total area permitted by you to be built is 314yards. Now according to the increased dimensions of the bugalow by 1foot in length& 1 foot in width the area of the bunglow comes to 221 square yards. We have therefore reduced the area of the outhouses by reducing the length from 49 feet as shown in the plan to 45½ feet, which works out the area at 91 square yards, so that the total of all area that is being built by us will be 312 Square yards instead of 314as sanctioned by you. We trust this explanation will fully satisfy you & that you will be pleased to permit us to carry on our building operations on the said plot.

Yours Faithfully.

To,

Sir,

We are in receipt of your memorandum No. 475 dated the 21st instt and in reply thereto beg to state that we have infact erected our main building on plot No. 8/13 sheet I-12 Garden Quarter according to the correct dimensions as per sanctioned plan, but the dimensions appear increased owing to your measuring the ejected portion of the stones called the " BUD " as well, about which we were under the impression,, that the ejected portions of stones will not be taken into consideration. our attention was drawn by the Municipality also in this matter by their letter dated 16/17th March last & we then explained this matter to the Municipal authorities as well, whereupon we were asked by the Municipality personally to reduce the area of outhouses, to conform with the area sanctioned to be built according to the plan & we have done so accordingly, It will thus appear to you that the deviation from the approved plan is not great, & that is also due to misunderstanding on our part. We have also not used more total area in building than what is sanctioned. We therefore trust you will pass this slight deviation this time.

Thanking you in anticipation.

We beg to remain,

Sir,

Your most obedient seravnt.
