

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. **FOR RIDING
OR WALKING.**

For Officers and Gentlemen who are much in the saddle these breeches are invaluable, and we have had many testimonials to their merits during the late war. Ease can be at once obtained after a long ride or walk by slackening the laces, and there are NO BUTTONS TO BREAK OR TO PRESS INTO THE SHIN.

We shall be pleased to send patterns and instructions for self-measurement, free of charge by post, anywhere.

Advice as to Choice of Schools.

THE SCHOLASTIC, CLERICAL AND MEDICAL ASSOCIATION, Limited, supplies, without charge, information and advice as to (1) Preparatory Schools; (2) Public Schools; (3) Army Tutors; (4) Tutors preparing for University or other Examinations; (5) Schools or Tutors in France, Germany or Switzerland receiving pupils for the holidays or for a longer period; (6) Boarding Schools for girls in England or on the Continent; (7) Private families taking entire charge of infants or elder children. In order that the Manager may be able to render effective assistance to parents or guardians in the choice of a School, it is essential that he should be supplied with the fullest possible particulars of their requirements. It is desirable in all cases to know the age of the pupil for whom a School or Tutor is sought. Where a Preparatory School is needed, it is useful to know for which Public School preparation is needed. Further points on which information should be supplied are (1) the career or examination, if any, for which the pupil is preparing; (2) the locality or situation to which preference would be given; and (3), within certain limits, the fees for board and tuition which a parent expects to pay.

All communications should be addressed to the Manager—

PREFACE.

IN the lists of Officers serving in India, which are contained in pages 7 to 104 of this volume, only substantive appointments are shown ; and, except in the case of members of the Indian Civil Service, the names of Officers drawing substantive pay of less than Rs. 500 a month are not included. The names shown in italics are those of Officers who are in foreign service, supernumerary, seconded, or employed outside their own departments.

The principle of selection followed in the Record of Services (pages 423 to 653) is explained on page 421.

To meet the difficulty that arises from the lack of uniformity in India in the use of surnames, Indian names are twice indexed, and cross references are made in the Record of Services. Rulers of States are also shown under the names of their States.

A list of recipients of the Kaisar-i-Hind Gold Medal will be found on page 172.

The "Index of Subjects and Appointments" is on pages iii to xiii, and the "Index of Names" on pages 661 to 701. Names in the Honours Lists and Record of Services are shown in the Index of Names by "英" and "法," with a foot-note referring to the Alphabetical Lists on pages 154 to 171 and pages 423 to 653.

A Casualty List (Retirements and Deaths) is given on pages 654 to 660.

It is requested that intimations of errors in the lists, or of omissions, may be addressed to the Editor of the India List, India Office, London, S.W.

(a) Madras, which had previously been an Agency under the jurisdiction of the Presidency of Bantam in Java, was created a Presidency in 1652, Bantam being in turn placed under Madras, and the President, Mr. Baker, transferred to the latter station. This arrangement, however, continued only to 1655, when the settlement again became an Agency, and so remained till 1684, when the Agent, Mr. Gyfford, was made "President and Governor of all the English East India Company's affairs upon the coast of Choromandel and in the Bay of Bengala."

(b) Mr. Yale also acted during Mr. Gyfford's absence in Bengal from 8th Aug., 1684, to 26th Jan., 1685.

(c) Madras having been captured by the French on the 10th September, 1746, the government of the Settlement devolved on Mr. John Hinde, the Deputy Governor of Fort St. David.

(d) Mr. Hinde died at Fort St. David on the 14th April, 1747, previous to the receipt of the Court of Directors' despatch of 24th Jan., 1747, creating Fort St. David the Head Settlement, and appointing Mr. Hinde president and governor.

(e) The Court's despatch ordering Mr. Floyer's dismissal from the service was received at Fort St. David on the 6th July, 1750.

(f) The seat of government was re-established at Madras on the 5th April, 1752, four years after its restoration to the English by the Treaty of Aix-la-Chapelle.

(g) Governor for the second time. By order of Mr. George Stratton and the majority of the Council he was placed under arrest and detained at St. Thomas's Mount on the 24th Aug., 1776. He was allowed to return to the Macras Garden House on the 28th April for change of air, and died there on the 10th May, 1777.

GOVERNORS OF BOMBAY.

Names.	Assumed charge of office.	Remarks.
Sir Abraham Shipman (a)		Appointed 'General and Governor' on 19 March, 1662, but was prevented from landing in Bombay by the Portuguese, and died on the island of Anjediva in October, 1664.
Humfrey Cooke		Secretary to Sir Abraham Shipman, succeeded him in command, and came to Bombay as governor in February, 1665. He remained in power till 5 November, 1666.
Sir Gervase Lucas	5 Nov., 1666	Died 21 May, 1667.
Captain Henry Garey	22 May, 1667	Officiating.
Sir George Oxenden	23 Sept., 1668	Died in Surat, 14 July, 1669.

Bartholomew Harris	4 Feb., 1690	Died in Surat, 10 May, 1694.
Daniel Annesley	10 May, 1694	Officiating.

(a) The first four governors held Bombay for the Crown. The Island was handed over to the Company on the 23rd Sept., 1668. For the next nineteen years (1668-1687), except for occasional visits, and during three years (1672-1675) of Governor Aungier's rule, the Governors of Bombay spent almost the whole of their time in Surat, of which factory they were presidents. During this time, Bombay was administered by an officer styled Deputy-Governor. The transfer, in 1687, of the headquarters of the Company's power to Bombay to a great extent did away with the need of a Deputy-Governor. But in spite of the change the title continued for many years to be borne by the second member of the Council. It would seem to have fallen into disuse some time between 1720 and 1738.

(b) Child was Governor and General, with his headquarters in Bombay, whither he moved from Surat on the 2nd May, 1687, and where he died on the 4th Feb., 1690. In the year 1693, Bombay was the scene of a revolt against the Company's authority. The head of the rebellion was Captain Richard Keigwin, the third member of the Council. Placing the Deputy-Governor under arrest, Keigwin ruled Bombay in the King's name from the 27th Dec., 1693, to the 19th Nov., 1694, when on promise of pardon he handed over the Island to Admiral Sir Thomas Grantham.
