What about the _____? Amos 1:1

Notes:

Amos 7:14

Notes:

“Something—a backlash against religion’s worst sins, a political climate that wants to stamp out religion in public life, the popular rise of atheism, amplified access to polarizing points of view, something—is making it increasingly difficult to practice faith in our society... For many people of faith, it’s becoming harder to live their convictions outside of their religious communities. It feels as though forces are pushing religion to the margins. In fact, to millions faith is either irrelevant or bad news. ‘Religion poisons everything’ declares the subtitle of one of the best feeling books of our new century.”

—David Kinsman & Gabe Lyons
