Doing Life...
Together

The Bible is filled with remarkable love stories that address the same relational issues people experience today: love, truth, trust, respect, acceptance, conflict management, compatibility, hope, disappointment, restoration, and more! *Doing Life...Together*, a series by Teaching Pastor David McKinley, is an exploration into the lives of 10 biblical couples that have uncovered secrets pertaining to matters of the heart. You'll enjoy Dr. McKinley's creative approach as he uses popular movie titles to represent each couple.

The Connection is an exciting midweek worship experience on Wednesdays at 6:30 p.m. in the Worship Center at Prestonwood Baptist Church. Each Connection service combines inspiration, interaction, instruction and intercession. Led by Teaching Pastor David McKinley and Worship Leader Rick Briscoe, you can discover intimacy with God, deepen a community of faith with other believers, and develop ministry with people.
