Holiday Safety Tips

The following Shopping Holiday Safety Tips are from Tuttle PD Crime Prevention. Have a Safe and Happy Holiday.

Shopping

- Shop during daylight hours whenever possible. If you must shop at night, go with a friend or family member.
- Dress casually and comfortably.
- Avoid wearing expensive jewelry.
- Even though you are rushed and thinking about a thousand things, stay alert to your surroundings.
- Avoid carrying large amounts of cash.
- Pay for purchases with a check or credit card when possible.
- Keep cash in your front pocket.
- Notify the credit card issuer immediately if your credit card is lost, stolen or misused.
- Keep a record of all of your credit card numbers in a safe place at home.
- Be extra careful if you do carry a wallet or purse. They are the prime targets of criminals in crowded shopping areas.
- Avoid overloading yourself with packages. It is important to have clear visibility and freedom of motion to avoid mishaps.
- Beware of strangers approaching you for any reason. At this time of year, "con-artists" may try various methods of distracting you with the intention of taking your money or belongings.
- Do not leave packages or valuables on the seat of your car. This creates a temptation for thieves. If you must leave something in the car, lock it in the trunk or put it out of sight.
- Be sure to locate your keys prior to going to your car.
- Keep a secure hold on your purse, handbag and parcels. Do not put them down or on top of the car in order to open the door.
- When approaching or leaving your vehicle, be aware of your surroundings.
- Do not approach your car alone if there are suspicious people in the area.
- Ask mall or store security for an escort before leaving your shopping location.

Children

- If possible, leave small children at home with a trusted babysitter.
- Teach your child to go to a store clerk and ask for help in case your child is separated from you.
- Teach children to stay close to you at all times while shopping.
- Never allow children to make unaccompanied trips to the restroom.
- Children should never be allowed to go to the car alone and they should never be left alone in the car.
- Teach children their full name, address and telephone number to give to police officers or mall security. Teach children to immediately inform you if a stranger is bothering them.
