

THE CITY OF TUTTLE COMMUNITY DEVELOPMENT

CURB CUT & DRIVEWAY CONNECTIONS PERMIT APPLICATION

Section 17-6 of the Tuttle Code of Ordinances states anyone intending "to connect to, cut, alter, mutilate, or change in any manner for any purpose and paved or traveled portion of any street or alley, or any curb, gutter, catch basin or any other appurtenance of any street or alley or sidewalk" to first secure a permit from the Community Development Department.

The fee for a Curb Cut & Driveway Connections Permit is \$100. Depending on the complexity of job, the Community Development Department may require a deposit that will be returned upon satisfactory completion of the job.

It shall be the owner's responsibility to ensure that all work is done in a professional manner with all curb cuts to be saw cut. The property owner is responsible for ensuring that barricades or other warning devices are placed where necessary and that the site is left clean upon completion of the work. Any sidewalk or other public improvements must be repaired or replaced if damaged during construction.

A plot plan must accompany this application showing existing buildings, fences, and other structures along the drive location and the location of other drives, streets, and alleys.

Driveways located along state highways require that the applicant submit a completed State of Oklahoma, Department of Transportation Driveway Permit Application with this document.

Application must be submitted and approved prior to work starting.
