Updated—Bulk Trash Schedule

UPDATE—Bulk trash pickup will be January 2nd and 8th. If you live north of SH 37 (Main Street) then your bulk trash day will be Wednesday, January 2nd. If you live South of SH 37 (Main Street) then your bulk trash day will be Tuesday, January 8th.

Remember regular trash is picked up and then a second truck comes by to get the bulk.

Snow Routes

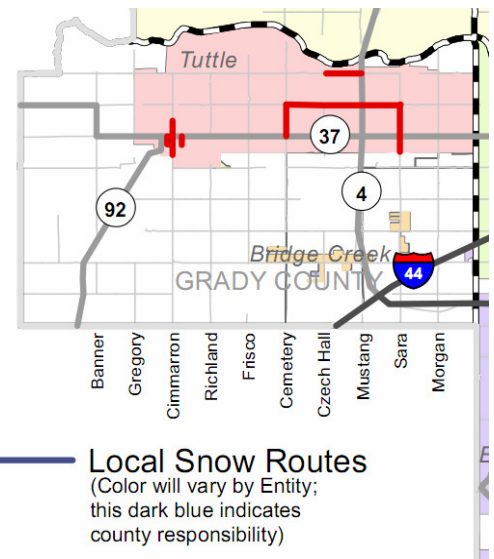

Wintertime is quickly approaching. Tuttle participates with other communities across Central Oklahoma in committing to give preferential treatment to certain roads during winter storms. A map showing all of the Regional Snow Routes in central Oklahoma, including Tuttle, is available at <http://www.acogok.org/snow/Default.asp>. A link is also available at www.cityoftuttle.com.

Please remember that a declared snow route does not mean the roadway will be maintained to ideal driving conditions at all times. Each storm is very different, and it can take some time to get a particular road treated enough for traffic to cautiously use it. In 2010 and 2011, the snow drifts on SH-37 and on Tyler Dr have been deep enough to take more than a full day to get one lane open.

Last season, our dedicated public works employees put in hundreds of hours of overtime working around the clock to clear Tuttle's snow routes. The City of Tuttle owns one snowplow with a sand/salt dispenser, another sand/salt dispenser, and two backhoes. Our dedicated police officers and firefighters/EMT's also worked around the clock, responding to emergencies regardless of the weather or road conditions.

City Adopted Budget Available Online

The City of Tuttle budget for 2013 was passed and adopted unanimously by the Tuttle City Council and is available for viewing online at www.cityoftuttle.com.
