TUTTLE SCHOOL STARTS August 22nd— Be Aware and Drive Safe!!!!

Tips for Motorists

- When a school bus or children are present slow down and proceed with caution, obey all traffic laws and speed limits.
- Always stop for a school bus that has stopped to load or unload passengers. Red flashing lights and an extended stop arm tell you the school bus is stopped to load or unload children. Under certain conditions State Law requires you to stop.
- If you are on a two-lane roadway, you must stop.
- If you are on a roadway that has two or more travel lanes traveling in each direction and you are traveling the same direction as the bus, you must stop.
- If you are on a roadway that has at least two or more travel lanes traveling in each direction and you are approaching, meeting the bus, you must stop. Only if a physical barrier, such as a median or wall; divides the highway you may proceed with caution. The turn lane is not a physical barrier.
- Be alert and ready to stop. Watch for children walking in the street, especially where there are no sidewalks. Watch for children playing and gathering near bus stops. Watch for children arriving late for the bus, who may dart into the street without looking for traffic. When backing out of a driveway or leaving a garage, watch for children walking or biking to school. When driving in neighborhoods or school zones, watch for young people who may be in a hurry to get to school and may not be thinking about getting there safely.

Tips for Parents

- Help your children learn and practice the safety rules for walking, bicycling, or riding in a passenger car, school bus or transit bus.
- Supervise young children as they are walking or biking to school or as they wait at the school bus stop. Be a good role model, especially when you are with your kids. Always buckle up in the car, always wear a helmet when biking, and always follow pedestrian safety rules.

Tips for Students

- Always buckle up when you're riding in a car.
- Always ride in the back seat. It's the safest place for young people.
- Always wear a helmet and follow traffic safety rules when riding your bike.
- If you ride a school bus, learn and practice the safety rules for waiting at the bus stop, getting on and off the bus, and riding the bus.
- If you walk to school, learn and practice the safety rules for pedestrians. Always cross at cross walks, obey all traffic signs, traffic lights and safety patrol instructions. Be a good role model for your younger brothers and sisters and friends, and help them learn and practice the safety rules.

Recycling Update

No decision has been made by the City Council to start a curbside recycling program. Of the 169 formal responses, including phone calls, 59.88% were in favor of paying \$3 extra a month for the curbside recycling. However, many who have formally voiced their opinion against paying the extra \$3 per month for curbside recycling have been very vocal. The City Council decided to delay making a decision until their September 2016 meeting. This will give them more time to study the issue, and allow more information to be shared with the public.

More information regarding the recycling program is available at City Hall, on the City of Tuttle app, and at www.cityoftuttle.com.

Tuttle Library Survey 2016

Tuttle Library would like to improve the services we offer our community. In order to do this, we need your candid opinion. Please take a moment to fill out our anonymous survey. You can easily do this one of three ways: 1) come by the Library at 305 W. Main (right next door to the tag agency) to fill out a paper survey, 2) pick up a paper survey at Tuttle City Hall and fill it out there, 3) easy to do online from our website www.tuttlelibrary.org. We will be taking survey responses through August 13th. Thank you for your assistance.

Chamber of Commerce News

There will be no Business Showcase in August due to the Tuttle Teacher Appreciation Breakfast that will be held on the normally scheduled day. The August monthly luncheon will be at noon in the Council Chambers of Tuttle City Hall on August 31st. Our speakers will be Tuttle Superintendent Bobby Waitman and Bridge Creek Superintendent David Morrow who will give a State of the Schools address from the perspective of each school system. Sooner State Bank is sponsoring the event in their usual generous support of the education programs in our community. There is a \$5.00 fee for attendees to help cover the cost of the food. Please RSVP by going to our website: www.tuttleareachamber.com to register, emailing the Chamber at chamber@tuttleareachamber.com, or calling (405) 381-4600.
