TUTTLE NEWSLETTER - NOVEMBER 2017

HOME FOR THE HOLIDAYS

The City of Tuttle would like to invite you and your family to enjoy an evening of holiday fun! Please plan on joining us Friday, December 8th in downtown Tuttle for pictures with Santa, horse drawn carriage rides, kids craft area and live music. We will also have food and craft vendors, the Christmas tree lighting and the Parade of Lights. Martinbird Tree Farm will once again donate the Christmas tree, with the tree lighting taking place at 6:00 pm. Tuttle Elementary School students will help decorate the tree. Make sure to come look for your child's

handmade ornament. Please like and follow the Tuttle Home for the Holidays Facebook page and let everyone know you will be "going" to the celebration. This is our 10th annual event and each year it gets bigger and better. If you are a vendor or would like to participate in the Parade of Lights, please contact Amber Riley at 405-381-2335 or ariley@cityoftuttle.com for more information. Information is also available at www.cityoftuttle.com/holidays, on Facebook, and on the City of Tuttle App.

TRAFFIC SIGNAL AT SH-37 AND SARA RD NOW OPERATIONAL

The Oklahoma Department of Transportation (ODOT) has completed the installation of the new traffic signal at SH-37 and Sara Rd. Please pay special attention when driving through this intersection while you and other drivers become acquainted to the traffic signal. The City of Tuttle thanks Representative Scott Biggs for his help making this project happen.

Over 5,000 vehicles a day use S Sara Rd, as compared to nearly 10,000 vehicles a day using this portion of SH-37. S Sara Rd is the busiest non-highway street in Tuttle. Tuttle Fire Station #2 is located just north of this intersection. At a cost of \$161,000, 25% of the project cost (plus engineering) was paid by the City of Tuttle. ODOT and the City of Tuttle expect this traffic signal to help decrease the severity of accidents occurring in this area.

TUTTLE BROADBAND UPDATE

The City of Tuttle is pleased to announce the new broadband system is operational! Those businesses and residents who signed up for service in the initial build area (Deer Ridge Run, Eagle Ridge, Riata Ranch, River Ridge Estates, and Silver Ridge) should be connected by the end of November. Those located in the downtown area (bounded by NW/SW 2nd St, W Holly, the railroad tracks, and W Bond St) and those fronting SH-37 between Frisco Rd and Cemetery Rd should be connected by the end of January. If you are located in one of these service areas, you can sign up for service or get more information by visiting www.cityoftuttle.com/fiber. You can also call the City of Tuttle

Broadband Department at 405-381-8920 during business hours.

Technical support is available at any time from our technical support call center in Lenexa, Kansas by calling 405-381-8920.

Planning is already underway to serve the rest of Tuttle. If you are interested in broadband service, please let us know by registering your interest at www.cityoftuttle.com/fiber. Registration does not obligate you to spend any money or to use the broadband system. It simply notifies us that you are interested in our service, helping us identify neighborhoods to potentially expedite service. We will contact you when service becomes available to your address.

FILING PERIOD FOR MAYORAL ELECTIONS

Anyone interested in serving as Mayor for the City of Tuttle may file their statements of candidacy at the Grady County Election Board beginning Monday, December 4th, 2017 through Wednesday, December 6th, 2017 during business hours. The general election will be on Tuesday, April 3rd, 2018, with a primary election (if needed) on Tuesday, February 13th, 2018. The four-year term will begin in May 2018 through May 2022.

The Tuttle City Charter requires any candidate for Mayor to be, at the time of their election, at least 25 years of age, be a citizen of the United States, have lived in the city limits for at least two years, and have a high school diploma (or equivalent GED). You can contact Tim Young, City Manager (tyoung@cityoftuttle.com) or Wendy Marble, City Clerk (wmarble@cityoftuttle.com) for more information.

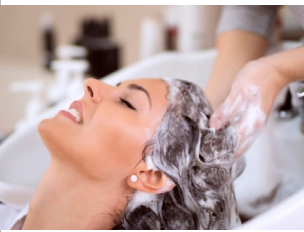

QUESTIONS ABOUT TRASH SERVICE

If you have questions about your trash service, please go to our website, www.cityoftuttle.com and look under FAQ (frequently asked questions).
