- (5) Obligations of a public authority (Public Authorities Law, various sections); and obligations of a public housing authority (Public Housing Law Section 49).

With respect to obligations pledged to secure deposits and investments, whenever possible such obligations should be delivered to a bank or trust company other than the institution with which the investment is made. If a third party bank is to serve as custodian, the fiscal officer of the local government should require that the bank execute a written custodial agreement which provides, among other things, that any rights of the custodial bank with respect to the collateral are subordinate to the local government's interest. The fiscal officer should also determine on a regular basis whether written confirmation of all collateral has been received from all institutions, in which the Town of Caton has invested funds. This confirmation should be received within five (5) business days of any investment. Any substitution of collateral must have Town of Caton approval.

The Caton Town Board authorizes the designated officials the authority to allow for the physical custody of Certificates of Deposit and other evidences of investments for "safekeeping" possession to the winning bank, as provided in Section 11(3) of the General Municipal Law.

5.0 TRANSFER FUNDS

The Caton Town Board authorizes the designated officials the authority to use electronic transfer of funds, among the approved banking institutions to assist in the movement of monies. Each such transfer shall be specifically identified in the original journal entry as a "wire transfer" and subsequently supported by the bank confirmation notice to provide an audit trail.

6.0 WRITTEN REPORTS

All investments shall be documented in written reports to the Caton Town Board outlining the details of each investment and the bids received thereon. Monthly reporting of investments should be made to the Caton Town Board.

7.0 BONDING POLICY

All Town of Caton employees who are involved with the transaction of Town of Caton funds are bonded through the Town's insurance program. This program should be reviewed and updated annually.
