Monthly report

July 18, 2017

I started to issue tickets for unlicensed dogs. I issued 24 tickets this month per request from the judge to limit my numbers per month. Court was scheduled for July 17th but was rescheduled for the following Monday. I am also in the process of issuing the next batch of tickets for next month's court schedule. The number of unlicensed dogs is being greatly reduced.

I also had to pick up two dogs and take to shelter, the dogs have been returned to the owners.
