

Town Of Caton
Dog Control Officer

Monthly report

May 9, 2017

I've had one call this month on April 10th, in which I responded to. I have also drawn up a letter for overdue/expired dog licenses which I sent out to 149 people which accounted for 209 dogs with expired licenses. I decided to send this letter out because the countless phone calls I have made to people for expired licenses, has had little impact on getting these resolved or up to date. I have attached a copy of the letter that I sent out. I have received numerous phone calls about the letters, finding a lot of deceased dogs to remove from the list, and also the Town Clerk has had a number of people come in to license their dogs.
