

SCRIPT ANALYSIS SYLLABUS ADDENDUM

You are required to see two plays and write papers. The first paper is due by mid-term and the second is due by the end of the 14th week (i.e. the week BEFORE Forums). You **cannot** turn these papers in late.

We will discuss in class what a theme is and what structure is and what character conflict is. That is what you will write about—NOT about how much you liked the play and how great the actors were etc etc.

The paper should be a minimum of two pages IF TYPED or three pages hand-written. If typed don't play me by using extra wide margins and a big font.

You are being graded on your attendance and participation as well as on the two papers and a final exam. It is actually possible to pass the class if you have perfect attendance and you take and pass the final exam. In other words—if it is impossible for you to go to two plays (because of your job or money) you can still pass the class. You just won't get a very good grade.
