

Additional Volunteer Info

All volunteers are members of Friends of the Railroad (FORR) and are invited, and urged, to attend the monthly meetings. FORR meets at 6 PM on the 2nd Tuesday of each month.

Meetings are held during the summer at Perry Street Station. During the wintertime, at area attractions or sites.

At least twice per season, a required update session will be held for all tour guides. New volunteers will be assisted by staff on their areas of interest.

All volunteers on the train are requested to adopt a pro-active approach for the safety of the guests, volunteers and staff by assisting in crowd control, in boarding, while approaching a stop or while loading bicycles at Petroleum Centre and holding back passengers.

If you volunteer for a specific day or time and cannot work, please call and notify us so a replacement can be found.

The Oil Creek Railway Historical Society, Inc. is a non-profit 501(c)3 organization and invites you to participate as a member. Memberships provide funding for maintenance programs to continue with the updating of equipment and promotion of programs to inform and educate the public on railroading history, economic development of rail freight distribution and its role in the petroleum industry.
