(range closed)

NEW! Shoot Trap Games **Every Sunday!**

There will be a new weekly trap shoot at PSFS Club. Every Sunday starting at 10am, there will be trap games until 3pm or when people get tired to go home, whichever comes first. These games will end prior to the meeting on the Sundays of the general meetings.

March After-Meeting Shoot

The after-meeting shoot will be a rifle shoot with any caliber and any sight (scope, red dot, iron). Targets will be a surprise, set at 30 yards. Members should remember that the range is closed until after this shoot is over. The February winners for the Bullseye shoot were: 1st - Ty Henry, 2nd - Joe McCrackin, 3rd - Rick Linke.

Reverse Raffle: **Help and Donations**

The annual reverse raffle will be held on Saturday, May 4. Please hang up flyers already emailed or available at meetings at your work or businesses you patronize. Don't forget to ask these businesses for donations. Time spent promoting this event can count as work hours. We are also looking for donations of complete gift baskets, items for in gift baskets that we will assemble or larger items for auction. These items should be new and unopened. Items that are not, will be held for sale at the swap meet with money going to the club. Tickets are available at general meetings or call Tim Sauner at 330-931-6433.

Special Election for **President, Trustee Results**

Art Garnes was elected as the club's president for 2019. Tom Baker was elected as trustee.

4-H Range Dates and First **Shot Classes: Ranges closed to** **Members**

If you are coming out to use the range, please check the club calendar for days that the 4-H club will have the ranges as well as First Shot Classes. The ranges will be closed to members at those times.

CPR-AED Class

With the purchase of our AED, another CPR-AED class is set at the clubhouse for March 28 at 7pm. It will be open to all members, friends and family as well as the public. Teenagers are welcome to attend. A 2-year certificate will be issued to all who complete the course. Please reserve by March 18, 2019 so we can get an accurate head count. That way we can have the correct number of trainers available to teach the course. We will be limiting the class to 50 people. Contact Greg Ledbetter at: 330-398-4768 (call or text) or email at: psfs.cpr@harley74.com with your info: Name, phone number, email address (if you have one) and how many people.

First Shot Class

The club will be conducting the first of these classes on March 30, 9am - 4:30pm. The class is designed to teach the basics of both shotgun and handgun. This will be open at no cost to the public as well as members. Both classroom and range time are included as well as all firearms and ammunition. Lunch will also be provided. Two additional sessions of this class will be April 20th; and June 22. They are not continuations of each other, but rather three separate classes with the same curriculum. Please contact Joe Kocian at josephk@k-teach.us or 330-554-2489 for more details or to reserve your spot.

PICTURE PAGE

Please email pictures you took at any PSFS event or your hunting/fishing trips to psfsclub@gmail.com to be included in upcoming newsletters.

Meanwhile, down in Florida where the sun still shines and makes things warm, Dave Benze and friends caught their limit of grouper, plus snapper, 50 miles out into the gulf at 100 feet deep.
