Reverse Raffle

The annual reverse raffle was held on May 4. While there are still a few receipts to come in and bills to pay, but we should have a profit around \$4000. Thank you to everyone who supported the club by attending the event and/or purchasing raffle tickets. Also, a special thanks to all who put in the work that made the event successful.

The in addition to the reverse raffle and the side boards, there was a very large selection of gift baskets, silent auctions and a separate raffle for a cross bow. The revenue from this accounted for over \$1500 and was made possible only from donations from our members as well as many non-member associated businesses who support us. Please make a special effort to support these businesses and thank them for supporting us when you go there.

Special thank you for the very generous donation of the cross bow to **Hunter's Outlet**
