Update Membership Information

We are trying to get updates to have accurate membership information. Please look at your information available at the meeting and let us know of any changes. If you know that you have moved, had a telephone number or email address change since joining, please either update it at the meeting or send it to the email from which this newsletter is sent.

At Least We Don't Have a Ham Thief!

After it was reported in the newsletter last month that things have gone missing, one of our members started to question the reliability of his jokester friends. Turns out that when we pulled the winners for the ham, several people were counting the election votes in the restroom. When one of them came back to the table, his wise-guy friends told him he won a ham. Exact details are not known as to why he was not eventually told it was a joke or if they thought he did not believe them, but the guy took a ham because he thought he won. When he read the article, he questioned the reliability of the sources who told him that he won. Thank you for coming forward so we know we only have a petty thief on our hands and not a grand larceny ham thief. It was an honest mistake.

March Meeting Dinner

Come early to the meeting to enjoy our March dinner of rigatoni, garlic bread, salad and dessert.

March After-Meeting Shoot and February Shoot Results

The March shoot will be a rifle and handgun combo target shoot. 10 shots per target, 2 targets each. Rifle 50 yards offhand or standing, pistol 25 yards, single hand or double hand hold.

Results from Feb. shoot: 1st - Rick Linke, 2nd - Ted Karabinus, 3rd - Rich Deitke with iron sights.

Tuesday Night Open Trap Shooting to Start. Trap Committee

Tuesday, April 7 will be the first day of the regular Tuesday night trap season that will include practice rounds available on trap 1. Trap 2 will still shoot games as usual. The Trap Committee will meet Thursday, March 12 to make preparations for this.

Political

Ohio's 133 General Assembly has many bills in action, both pro and anti-gun. None are pending a vote to enact that I am aware of. However, you can go to Buckeye Firearms' website and see the ones they do and do not support that includes a handy link to the actual bill. Just go to buckeyefirearms.org and look under the "legislation" tab.

PICTURE PAGES

Please email pictures you took at any PSFS event or your hunting/fishing trips to psfsclub@gmail.com to be included in upcoming newsletters.

While we were all freezing in Ohio, Dave Benze was living his best life catching this 9lb Mangrove snapper in Florida.

Sunday trap shooting draws a nice crowd and good food!
