### PSFS RULES FOR HUNTERS

Make sure that you sign in if your going to use the ranges, hunt, or walk the club property. Check the sign in sheet and don't use the ranges if there are hunters on the property. If you would like to hunt and members are using the ranges, ask them to finish shooting (20 min)...be polite and use common sense.

Don't forget to note the area where you are hunting. Gun season began the end of November and ran through December 6th.

The state law allows specific straight-walled rifle cartridge to be used, which was new last year.

**MERRY CHRISTMAS**  
**HAPPY NEW YEAR**
