Walking Tour**

Before heading out to tour the wetland, visitors will learn about bats in Oklahoma through the Echolocation Grotto, a traveling exhibit sponsored by Alabaster Caverns State Park. Afterwards, we will tour the Area in an open-air trailer to discover what goes on in a wetland after the sun goes down. After we return from the tour, hikers can walk a designated trail with a biologist while enjoying the full moon.

Participants must be at least 14 years old.

No Fee. **Reservations Required.**
