

In celebration of the 125th Anniversary of Browns Grove
and Burdett, Kansas, Volume II
1876 -2001

The 125th celebration logo and medallion design was taken from a picture of the flourmill built by Wright and Johnson in 1879. The sign from the original mill is located at the shelter house in the Burdett Community Park. The original picture and a short history of the mill can be found on page 17, Vol. One, of the History of Browns Grove and Burdett, Kansas. George Unrein, father of Roni Bauer, created the artist sketch used for the design.
