# ABOUT 'WISH TO WALK'

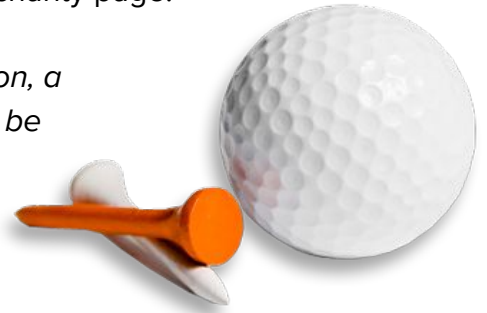

Wish to Walk is holding a charity golf day at Kooindah Waters to raise money for Lincon Craig, an 8 year-old with severe cerebral palsy.

Lincon, an inspirational boy with an iron will, holds a dream of one day being able to walk. Lincon's family is hoping revolutionary stem cell therapy, a treatment only available overseas, will help Linky realise his biggest wish- his wish to walk!

For more information on Lincon's story and the type of stem cell therapy his family is hoping to obtain for Linky, please visit his [Wish to Walk](#) charity page.

*Wish to Walk is affiliated with The Developing Foundation, a registered charity. All donations made for this event will be **entirely tax deductible as a business expense.***
