PRACTICAL STRATEGIES FOR A SUPERIOR COURT CRIMINAL TRIAL - #4

Case Study: The mentally ill accused & the criminal law *The Queen v. Tanner B. CHALLE*

Part XX.1 of the Criminal Code, entitled 'Mental Disorder' is notoriously opaque and often, unfortunately, misapplied.

The purpose of this CPD is to provide a fact situation which fully engages both the substantive and the inevitable ethical issues that arise when confronted with a client who presents with mental health issue – a happenstance that occurs with increasing frequency in the Criminal Courts.
