A time of affirmation for families through prayer and blessing.

Today's lesson, which taught about Abraham, concluded with a special prayer to God related to the Action Word, BELIEVE. A blessing was spoken over your child, and now you can join in on the **action** of God's great story! Continue learning about Jesus at home by leading your child in this thoughtful prayer and blessing.

Action Word**BELIEVE****Prayer**

Today, I am going to say a prayer while we hold hands.

Father God, You made promises to Abraham and he believed You even though he didn't know what Your plans for him were. It can be hard for us, Lord, to be patient and BELIEVE that You also have a plan for us. Help us trust You and BELIEVE that You are always with us. Amen.

Blessing

Blessings are from the Bible and are a way to infuse encouragement and love to another person. A blessing may be given at any time or place. Now invite your child to open their hands to show their openness to receiving your words:

May you feel God's love and BELIEVE His promises. He is always with you.

Continue the Journey

Ask your child what they learned today about God through the story of Abraham.

What was God's action?

How can your family show they BELIEVE God's promises?

How can you encourage others to BELIEVE God?
