This agreement between Wheeler Auctions and _____ (Bidder) is designed to allow Bidder to place bids on a particular Lot Number at Wheeler Auctions auction.

1. Bidder understands that he can either place bids via telephone with an authorized representative of Wheeler Auctions or can simply authorize Wheeler Auctions to bid on Bidder's behalf up to the Max Bid amount. In the event that Bidder cannot be reached via telephone, Bidder authorizes Wheeler Auctions to bid on specified lot numbers up to the Maximum Bid amount as set forth below. Wheeler Auctions will not be held responsible if contact cannot be made.
2. Increasing bids made on Bidder's behalf will only be made in increments consistent with the auction as it progresses in the complete discretion of the auctioneer.
3. Bidder can increase max bid via telephone with an authorized Wheeler Auctions agent during the auction, but a decrease in the Maximum bid amount must be received in writing by Wheeler Auctions prior to the start of that day's auction.
4. Bidder is responsible for any inspections or appraisals of the vehicle prior to the sale. All sales are "As Is No Warranty." The Bidder agrees not to hold Wheeler Auctions or any of its agents liable for any opinions or statements expressed regarding the quality or condition of the vehicle.
5. Bidder will need to fill out the main Bidder Contract and be approved to be able to make Phone or Absentee Bids. All bids are subject to all of the Terms & Condition in the main Bidder Contract, in addition to the provisions set forth in this agreement.
6. The funds due for a winning bid are due the next business day after the sale, at the latest. No vehicles will be released, nor will any titles be issued until payment has been received and cleared in full. For this reason, wire transfers are suggested.
7. Bidder will be responsible for arranging the prompt shipping for any vehicles purchased at the sale. If shipping has not been arranged in a "timely manner" ("timely manner" is defined solely at Wheeler Auctions discretion), Wheeler Auctions reserves the right to ship the car to the Bidder at the Bidder's expense or take the vehicle to its storage depot. Any resulting costs are the responsibility of the Bidder.
