

ScanPass®

MOBILE CREDENTIAL

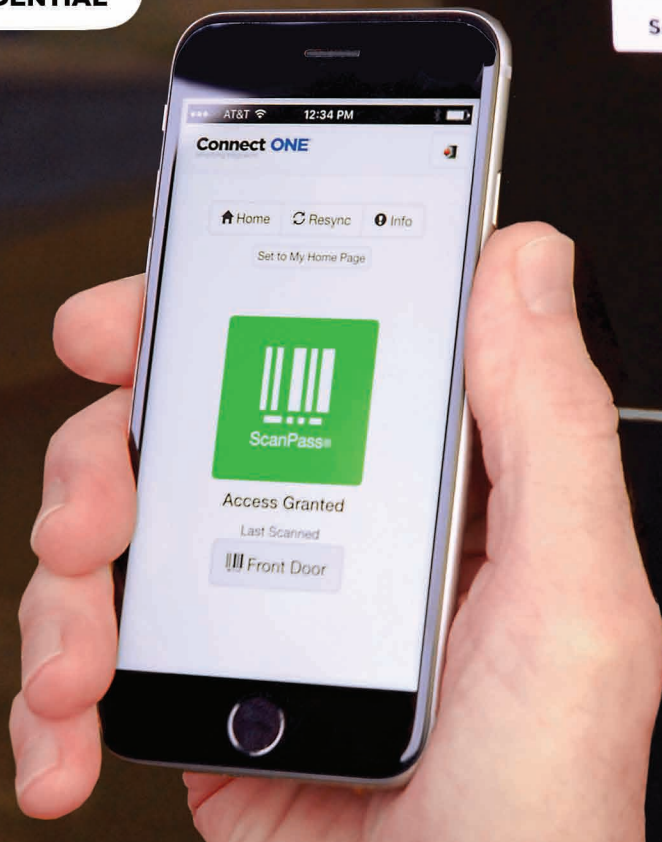

96 Doors & 90,000 Users
on One Control Panel

Easy Access for Multiple
Locations

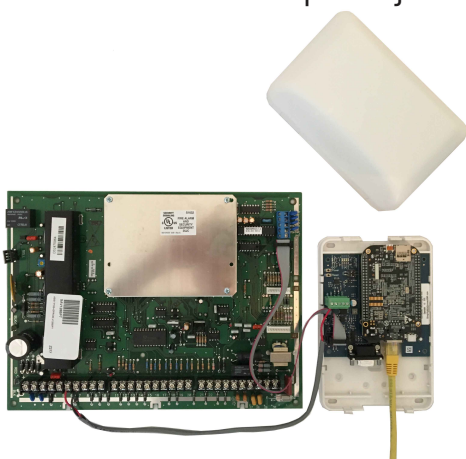

Quick & Simple User
Enrollment

Multiple Security
Safeguards including
Encryption

Unlock Doors Fast Using Smartphone or Tablet

Introducing ScanPass powered by Connect ONE. Now you can provide Cutting Edge Technology and Value to your clients while generating significant additional Monthly Recurring Revenue. Easily affixed barcode stickers eliminate access control cards/fobs and readers. Complete jobs faster, more profitable and secure!

All Lock Types
Plus Codeless Arming & Disarming

Honeywell Vista Turbo control panels work with the Connect ONE Access Expander (Door Control via Control Panel Outputs)
