Deceuninck North America Announces Commercial Alliance Members

Deceuninck North America's commercial fabricator program is welcoming its inaugural member companies.

The Deceuninck North America Commercial Alliance program provides technical, engineering, marketing and sales support to its members. The Commercial Alliance has attracted several leading and geographically diverse companies:

- Doers Window Manufacturing of Tampa, Florida
- Earthwise Windows & Doors by Tri-State Wholesale, Cincinnati
- Lindsay Windows, Chicago
- United Window & Door, Springfield, New Jersey
- ViWinTech Windows & Doors, Paducah, Kentucky

The Commercial Alliance enables fabricators to leverage Deceuninck Commercial's range of resources, expertise and products, which deliver exceptional energy efficiency and low cost of ownership. All Deceuninck Commercial Alliance members will be Five-Star Certified – the highest level of fabricator performance recognized by Deceuninck.

The announcement comes as the commercial building industry continues to gain momentum with a forecast of 9.9 percent growth in 2016 and 7.5 percent growth in 2017, according to the American Institute of Architects Consensus Construction Forecast.

“By joining the Commercial Alliance, these companies gain access to Deceuninck’s innovative window solutions, connect with a network of expertise and receive opportunities to grow their businesses in an expanding commercial construction market,” said Filip Geeraert, president and CEO, Deceuninck North America.
