About Deceuninck North America

Deceuninck North America, LLC is a fully integrated design, compounding, tooling, lamination and PVC extrusion company that produces energy-efficient vinyl window and door systems. The company is committed to developing high-performance products that are currently in more than 6 million U.S. homes. With headquarters in Monroe, Ohio, and a new facility in Fernley, Nevada, Deceuninck North America's sales have had double-digit growth for the past three years. Deceuninck North America is part of the Deceuninck Group, an integrated global organization that produces PVC window systems for the building industry. Deceuninck Group employs 3,600 people in 19 countries, with worldwide production facilities. For more information, please visit www.DeceuninckNA.com.
