Deceuninck North America Participates in *DWM Magazine's* Fenestration Day

Sponsors Keynote Speaker, Economist William Greiner and Chief Investment Officer at Mariner Wealth Advisors

Deceuninck North America is pleased to serve as a sponsor for *DWM Magazine's* fifth annual Fenestration Day. The event, which takes place on March 19, 2015, in Irvine, Calif., brings together door and window manufacturers and dealers for joint educational sessions as well as individual sessions tailored to those groups.

"Fenestration Day is an opportunity to network with key industry stakeholders, and critical to staying updated on trends and issues facing the industry," said Filip Geeraert, president and CEO of Deceuninck North America.

Deceuninck's sponsorship includes the keynote session presented by William Greiner, chief investment officer at Mariner Wealth Advisors. He will present the latest market outlook both globally and domestically, complete with economic data to assist budgets for the coming year. Greiner was named *BusinessWeek's* 2005 Stock Market Strategist of the Year and has appeared on Bloomberg Television and CNBC. He has also been featured in financial publications such as *Barron's*, *The Wall Street Journal* and *BusinessWeek* discussing his views on the U.S. economy.

Fenestration Day includes the Glass Expo West trade show, which showcases exhibitors that specialize in all facets of the architectural glass and glazing industry, along with a welcome reception that evening for attendees.

For information on Fenestration Day, visit www.dwmmag.com/feneday.

About Deceuninck

Deceuninck North America, LLC is part of the Deceuninck Group, an integrated global organization specializing in compounding, tool fabrication, design, development, extrusion, finishing of uPVC window systems and composite applications for the building industry. The company is active in more than 75 countries, and is supported by 2,700 personnel worldwide. In 2013, Deceuninck Group achieved consolidated sales of €536.5 million Euros worldwide (approximately \$710 million USD). In 2014, Deceuninck strengthened its top 3 market position through the acquisitions of 'Pimapen,' the most recognized brand for PVC windows in Turkey adding approximately \$75 million of annual sales. (Turkey is Europe's 2nd largest PVC window market.) Deceuninck North America encompasses fully-integrated design, compounding, tooling, extrusion and quality assurance disciplines for the production of vinyl window and door systems and composite applications for the building industry at its corporate headquarters in Monroe, Ohio.
