LETTER FROM THE PRESIDENT CARTA DEL PRESIDENTE

Innovative, high-quality cake decorating solutions for your bakery

At DecoPac, we are proud to be your partner in bringing celebrations to life. We consider it our mission to offer the absolute best in innovative, safe and high-quality cake decorating solutions, to provide you everything required to grow your business.

Inside this catalog, there are solutions for your bakery to make every cake stand out – premium cake decorations, PhotoCake®, supplies and more.

- With the **largest portfolio of in-demand licensed products**, you have access to the top characters and brands consumers want.
- Take advantage of the selfie craze with **PhotoCake, the industry-leading Print on Demand cake decorating solution**.
- Decorate elegant treats in a flash by using **ready-to-place edible and gum paste decorations**. Exclusive printed technology creates detailed designs unmatched by hand.
- Stock up on the essentials with **premium cake decorating supplies**. Solutions range from Bakery Crafts Cake Structure Sets (used for tiered cakes) to pastry bags, decorating tips and Premium Colors. Your order is just a call or click away from the best tools for your bakery.

This catalog, along with our quarterly *Inspirations & Seasons* magazine, is your complete guide to all your cake decorating needs. If you prefer the digital route, find the most up-to-date information on DecoPac.com, where you can place orders with ease using our convenient quick order function. Look for an all-new DecoPac.com this fall.

We are confident DecoPac has all the cake decorating solutions your bakery requires. It is our privilege to create magical, memorable celebrations with you.

Sincerely,

John Anderson

President

Soluciones innovadoras y de alta calidad para la decoración de pasteles en su panadería

En DecoPac, estamos orgullosos de ser su compañero en traer las celebraciones a la vida. Nosotros consideramos que es nuestra misión en ofrecer soluciones para decorar innovadoras, seguras y de alta calidad, para proporcionarle todo lo necesario para hacer crecer su negocio.

Dentro de este catálogo, tenemos soluciones para su panadería para que todos sus pasteles resalten – decoraciones para pasteles de alta calidad, PhotoCake®, insumos y más.

- Con la **más amplia categoría de marcas registradas en demanda**, Usted tiene acceso a los mejores personajes y marcas que el consumidor quiere.
- Saque provecho de la moda de los selfies con **PhotoCake, líder en la industria con soluciones de impresiones personalizadas**.
- Decore sus delicias elegantes rápido usando **productos de pasta de goma y materiales comestibles: listas para decorar**. Tecnología exclusiva para crear diseños impresos, con gran detalles inigualables.
- Puede comprar lo esencial con nuestros **artículos para decorar de alta calidad**. Soluciones varían desde sets de estructuras de Bakery Crafts (para pasteles de pisos) a bolsas para decorar, dulas para decorar y colores de alta calidad. Su orden está a una llamada o un click para obtener las mejores herramientas para su panadería.

En este catálogo, así como nuestra revistas de “Inspirations & Seasons”, esta su guía completa para ordenar todos sus artículos para la decoración de pasteles. Si prefiere la ruta digital, puede encontrar la información más actualizada en DecoPac.com, donde puede ordenar con facilidad y conveniencia usando la función para ordenar. Busque la nueva página de DecoPac.com este otoño.

Estamos Confiados que DecoPac tiene la solución para sus decoraciones de pasteles que su panadería necesita. Es nuestro privilegio crear celebraciones mágicas y memorables con ustedes.

Atentamente,

John Anderson

Presidente

PhotoCake®

WHAT IS PHOTOCAKE?

PhotoCake is your complete Print on Demand cake decorating solution. It includes the PhotoCake software application, printer and expansive image library which allows bakeries to print licensed and non-licensed images as well as consumers' photos onto edible paper with edible ink. Images are easily applied to baked goods such as cakes, cupcakes, cookies, or bars to create unique treats featuring popular characters, consumers' photos and enticing seasonal designs.

Cake design created using #7569 Sesame Street Happy Birthday PhotoCake Frame, #7568 Sesame Street Celebration PhotoCake Image, #8836 ¼ Sheet PhotoCake Printables, #9784 Round Cutters and #15010 Celebration Quins

LEVERAGE PHOTOCAKE TO DRIVE SALES

DELIVER PERSONALIZATION

Consumers love photos more than ever. Use the PhotoCake system's ability to turn photos into personalized cake designs and capitalize on today's photo centric culture.

#Selfie-obsessed young Millennials spend an hour every week taking photos of themselves.

95 Million photos are uploaded to Instagram every day.

Snapchat has upped the selfie game, adding interactive animations to user's faces, leading to over 9,000 snaps shared every second!

OFFER THE BRANDS CONSUMERS WANT

The PhotoCake system provides access to the popular licensed characters and properties consumers want. Availability coincides with major market introductions and movie openings, driving consumer awareness and drawing consumers to your bakery. PhotoCake Online offers exclusive early access to new licensed images for in-demand characters and events.

ALWAYS BE IN STOCK

Never miss a sale with true virtual inventory. With the PhotoCake system, you'll have the brands and designs you need, even for a last minute cake order.

DIFFERENTIATE YOUR CAKE CASE

Leverage the PhotoCake system to capture impulse cake sales. Feature multiple cake formats, themes and brands decorated with PhotoCake Images in your cake case to create an assortment consumers can't resist.

CREATE CAKE DESIGNS FOR EVERY AGE AND EVERY OCCASION

The PhotoCake Print on Demand solution delivers an unmatched image portfolio filled with top brands, characters and designs. With over 1,500 images at your fingertips, you will always have just the right cake decoration for your consumer.

- Create cake designs for kids of all ages with PhotoCake's exclusive assortment of licensed images, brands and designs.

- Deliver unique designs for any occasion with PhotoCake's expansive selection of images for graduation, baby showers and other special occasions.

- Celebrate the season with PhotoCake's collection of holiday and seasonally-themed designs.

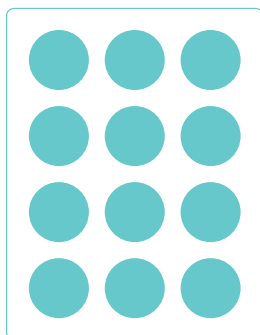

THE BEST IN EDIBLE PAPER

Based on your Print on Demand system, icing type and cake design, we offer a variety of edible paper options to ensure quality results every time.

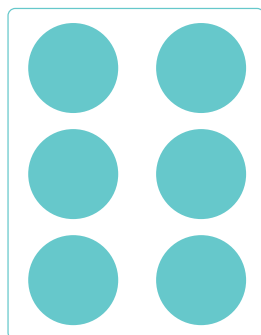

PHOTOCAKE PREMIUM EDIBLE SHEETS

Introducing a premium edible paper that delivers the best overall performance. If you like PhotoCake® frosting sheets, we guarantee you will love this innovative paper that achieves the highest quality of color, across all icing types. Specially formulated for whipped icing—both dairy and non-dairy, it resists high-humidity and easily removes from the backing paper. Made in the U.S.A, Kosher.

CAKE LACE

With Cake Lace, it's easy to add edible lace decorations to your cakes. Simply mix as directed, spread onto the silicone mat and place in the oven at 175°F. Bake for 12 to 15 minutes, cool for five minutes and the lace is ready to use or allow to cure overnight. Once made Cake Lace will stay moist and pliable for many months, allowing you to create masterpieces over time.

EDIBLE IMAGE® DESIGNER PRINTS®

Designer Prints® wrap around cakes. Printed with food-stable colors on a starch and sugar base, they are resilient and meld to the surface by absorbing moisture from the food item. They are easy to cut and are freeze-thaw stable.

Variety packs include 12 sheets of 3 designs per sheet. Strip size is 10" l × 2¼" w unless otherwise noted.

Cake Sizing Guidelines:

- 6" – 2 Strips needed
- 8" – 3 Strips needed (trimmed)
- 10" – 3 Strips needed
- 12" – 4 Strips needed
- Quarter Sheet – 4 Strips needed

EDIBLE IMAGE®

Flat-printed edible designs are pre-printed with edible food colors that retain color clarity and resist color bleeding, even on high moisture applications. Edible Image® decorations absorb moisture from the food product and become soft, melding into with the food item and cutting easily. Made in the USA and Kosher-certified.

With Cake Lace, it's easy to add edible lace decorations to your cakes. Simply mix as directed, spread onto the silicone mat and place in the oven at 175°F. Bake for 12 to 15 minutes, cool for five minutes and the lace is ready to use or allow to cure overnight. Once made Cake Lace will stay moist and pliable for many months, allowing you to create masterpieces over time.

AIRBRUSH PROGRAM:

In order to service your airbrush equipment and help keep your system running smoothly, we offer a simple program to ensure your cake decorating equipment is always in good working condition.

AIRBRUSH GUNS:

1. Our Customer Service Representatives are trained to service airbrush guns and associated parts, you can reach them at 1-800-DECOPAC for immediate assistance. They will assist cake decorators with proper cleaning techniques and minor adjustments. We encourage you to properly clean your equipment on a regular basis; if not we find most airbrush guns have the potential to malfunction. If this occurs, we are often able to resolve the situation through our in-house service. (NOTE: There is no charge for contacting our trained representatives)
2. If you encounter more stubborn problems, send us the airbrush gun and or associated parts and we will rehabilitate and return your item within four to five weeks. We also offer reconditioned airbrushes in exchange for the same make and model. DecoPac and all other models will be rehabilitated or exchanged for a flat fee of \$30.00.

AIRBRUSH COMPRESSORS:

If your compressor is not working properly and you cannot resolve the issue, please contact DecoPac directly at 1-800-DECOPAC for further assistance.

1. The manufacturer's one year warranty is limited to defective parts or workmanship only. The manufacturer's warranty may be void if general maintenance is not performed or is considered as a normal wear and tear.
2. If it is determined that the airbrush compressor must be returned to the manufacturer for adjustment, we will issue a Fed Ex Call Tag for the return of the compressor as long as it is within the warranty period of one year from the date of the purchase. A copy of the purchased invoice is required to receive the service.
3. You will need to place an order if:
 - The compressor is not under warranty/is not returned in packaging to prevent further damage
 - We are not able to service the compressor and/or provide a replacement.

CLEANING YOUR AIRBRUSH:

1. Rinse airbrush gun with water between colors.
2. At end of day, clean airbrush with CleanAire.
3. Rinse with water and let dry overnight.

#9623 CleanAire
See page 302.

**PROGRAMA DE AERÓGRAFOS:**

Para realizar el debido mantenimiento de su equipo de aerógrafo y ayuda a conservar el buen funcionamiento del Sistema, ofrecemos un programa simple que le permite asegurar que su equipo de decoración de pasteles este siempre en buenas condiciones.

PISTOLAS DE AEROGRAFÍA:

1. Nuestros representantes de Servicio al Cliente están capacitados para hacer el mantenimiento de pistolas de aerografía y piezas relacionadas. Llame al 1-800-DECOPAC para obtener asistencia inmediata. Ellos colaboraran con los decoradores de pasteles para que aprendan las técnicas apropiadas de limpieza y ajustes menores. Recomendamos limpiar correctamente los equipos en forma regular, de lo contrario la mayoría de las pistolas de aerografía pueden presentar problemas. En ese caso, podemos resolver el problema a través de nuestro servicio de nuestro mantenimiento interno. (NOTA: no se aplican cargos por contactar a los representantes capacitados)
2. Si los problemas persisten, envíenos la pistola de aerografía o las partes relacionadas, corregiremos el problema y le devolveremos el artículo en un plazo de cuatro a cinco semanas. También ofrecemos el reemplazo de los aerógrafos DecoPac reacondicionados de la misma marca y modelo. Se aplica una tarifa fija de \$30.00 por el arreglo o reemplazo de los aerógrafos DecoPac y todos los demás modelos.

COMPRESORES DE AEROGRAFÍA:

Si su compresor no funciona en forma correcta y no puede solucionar el problema, comuníquese directamente con DecoPac al teléfono 1-800-DECOPAC para obtener ayuda.

1. La garantía de un año del fabricante se limita a defectos en las piezas o mano de obra únicamente. La garantía del fabricante puede quedar anulada si no se realiza un mantenimiento general o si se considera que el defecto es parte del desgaste y deterioro normales.
2. En caso de que se determine necesario enviar el compresor de aerografía al fabricante para arreglarlo, nuestros representantes emitirán una etiqueta de FedEx para la devolución del compresor siempre que se encuentre dentro del periodo de garantía de un año de la fecha de compra. Se requiere una copia de la factura de compra para recibir el servicio.
3. Tendrá que hacer una orden para un compresor nuevo si:
 - El compresor no está en garantía y no es devuelto en un empaque donde la unidad no tome daños adicionales.
 - No somos capaces de dar mantenimiento o proporcionar un reemplazo.

LIMPIEZA DEL AERÓGRAFO:

1. Enjuague la pistola de aerógrafo entre colores.
2. Limpie su pistola de aerógrafo con "CleanAire" al final del día.
3. Enjuague con agua y deje secar durante la noche.

We bring innovative bakery solutions that encompass products, services, merchandising and marketing to build your celebration bakery sales. We are proud to offer you cake decorating expertise and high-quality products consumers love. With over 50 years of bakery experience, DecoPac delivers innovative ways to engage consumers and drive purchase.

SAFETY & QUALITY GUARANTEE

To ensure customer satisfaction, we unconditionally guarantee the quality of every product we sell. If a product fails to perform as expected due to a quality problem, we will replace or provide a full refund. Our cake decorations, edible or nonedible, meet all applicable United States regulatory requirements, including those promulgated by the FDA and the CPSC.

We take many quality and safety measures; some of the standards we adhere to include:

- Products are tested and certified by accredited third-party laboratories in accordance with the Consumer Product Safety Improvement Act (CPSIA). Our standard for lead content is stricter than the federal regulations. Toys are tested to the ASTM F963 Toy Safety Standard, including the critical Small Objects requirement (Choke Hazard).
- As needed, DecoSets® include safety stickers to inform consumers of important safety warnings. Cake decorators must place them on the cake dome and/or box when delivered to the consumer. Look for the warning triangle symbol in our catalog and on The Magic Of Cakes® Book pages.
- Product samples from every incoming shipment are double-checked by our in-house Quality Control. We use advanced XRF (x-ray fluorescence) equipment to check for heavy metals (including lead) and use the exact same equipment and procedures as specified in the federal ASTM F963 Toy Safety Standards to check for physical/mechanical hazards.
- Gum paste items are sold as non-edible decorations only. They are kosher and safe for food contact.
- Our edible products are marked with a "Best If Used By" date. If the product is unopened and stored properly, the quality will remain consistent until at least that date.

Contact a customer service representative to obtain a General Conformity Certificate or other product information.

SUSTAINABILITY

Our belief that everything we do has some impact on the environment influences the decisions we make. As part of our commitment to promoting social responsibility and minimizing waste, we manage our company based upon the below environmentally friendly principles.

REDUCE

DecoPac prints all publications on papers that feature FSC® and SFI® Chain of Custody certification (in other words - sustainably managed forests). We also utilize water-efficient fixtures in our facility to conserve water. Environmentally-friendly cleaning supplies are used throughout our office and warehouse. Air pillows made from recycled plastic are used in our packages to cushion products during shipping.

REUSE

DecoPac uses rechargeable batteries in most warehouse transportation and distribution equipment. We also donate many of our surplus cake decorations and supplies to local charities to be used as gifts for those less fortunate. Used office equipment is also donated or sold to other organizations to be reused instead of being placed in the waste stream. We are also distributing more sales materials in electronic form in order to reduce the use of paper and the environmental transportation costs associated with mailing the materials.

RECYCLE

DecoPac has been and continues to be a leader in recycling. Most waste generated by our business is kept out of the waste stream. We recycle nearly 100% of all corrugate and packaging supply materials. Other items that are recycled at DecoPac include: electronic scrap, batteries, cell phones, printer cartridges, printer paper, decorating products, bottles and cans.

EMPLOYEE INVOLVEMENT

100% of our employees participate in corporate recycling programs and are educated on waste reduction efforts. DecoPac also offers many environmentally friendly services to our employees such as electronic waste and battery recycling, "Plant a Tree" programs and "Adopt a Park" sponsorship.

Le traemos soluciones innovadores a su pastelería que abarca los productos, servicios, promociones y marketing para levantar las ventas de sus pasteles de celebraciones. Nosotros estamos orgullosos de ofrecerle experiencia en el decorado de pasteles y productos de alta calidad que les gusta a los clientes. Con 50 años de experiencia en la industria, DecoPac le entrega maneras innovadoras de atraer clientes y levantar sus ventas.

GARANTIA DE SEGURIDAD Y CALIDAD

Para asegurar la satisfacción del cliente, nosotros garantizamos incondicionalmente la calidad de cada producto que vendemos. Si un producto falla en rendir como es esperado debido a un problema de calidad, nosotros lo reemplazaremos o le proveeremos una devolución total del producto. Nuestras decoraciones de pasteles, comestibles o no comestibles, cumplen con todos los requisitos de regularidad aplicable, incluidas las promulgadas por la FDA y la CPSC.

Nosotros tomamos muchas medidas de calidad y seguridad, algunas de los estándares que cumplimos incluye lo siguiente:

- Los productos son probados y certificados por un tercer laboratorio acreditado de acuerdo con la Ley de Mejoría de Seguridad de Productos al Consumidor (CPSIA). Nuestro estándar para el contenido de plomo es más estricto que de las regulaciones federales. Los Juguetes son probado de acuerdo al nivel de seguridad de juguetes ASTM F963, incluyendo el requisito crítico de objetos pequeños (alias riesgo de asfixia).
- Si es necesario, DecoSets® incluyen una pegatina de seguridad para informar a los consumidores de advertencias de seguridades importantes. Los decoradores de pasteles tienen que colocarlos en la caja del pastel cuando se entrega al consumidor. Busque el símbolo del triángulo de advertencia en nuestro catálogo y en las páginas del libro The Magic of Cakes®.
- Muestras de productos de cada envío que recibimos son verificados dos veces por nuestro control de calidad interno. Nosotros usamos un equipo avanzado de XRF (fluorescente de radiografía) para comprobar si hay metales pesados (incluyendo plomo) y utilizamos el mismo equipo exacto y procedimientos como es especificado en al nivel federal de seguridad de juguetes para comprobar si hay riesgos físicos/mecánicos.
- Artículos de pasta de goma son seguro para el consumo humano y previsto solamente como decoraciones no-comestible. Son aprobados kosher y seguros para el contacto con los alimentos.
- Nuestros productos comestibles son marcados con fecha de caducidad como "Best If Used By". Si el producto no ha sido abierto y ha sido guardado apropiadamente, la calidad va a permanecer consistente hasta la fecha marcada.

Contáctese con un representante de servicios al cliente para obtener, certificados general de conformidad o información sobre otros productos.

SOSTENIBILIDAD

Nosotros creemos que todo lo que hacemos tiene algún impacto en el medio ambiente e influye en las decisiones que hacemos. Como parte en el compromiso de promover la responsabilidad social y minimizar desperdicios, la compañía está dirigida en base a los siguientes principios ecológicos.

REDUCIR

DecoPac imprime todas sus publicaciones con papel reciclado. Nosotros también usamos muebles sanitarios que ahorran agua en los servicios higiénicos y usamos artículos de limpieza en la oficina que no dañan al medio ambiente. DecoPac también usa almohadillas de aire hechas de plástico reciclado para empacar los materiales en todos sus envíos.

REUTILIZAR

DecoPac usa baterías recargables en la mayoría de sus equipos de transporte y distribución en el almacén. Nosotros también donamos muchos de nuestros artículos excedentes de decoraciones de pasteles y artículos a caridades locales para que sean usados como regalos para los menos afortunados. Material de oficina usado también es donado o vendido a otras organizaciones para que sean re-usados en vez de que sean llevados al contenedor de basura como desperdicio. También, estamos distribuyendo más materiales de ventas vía electrónica para reducir el uso de papel y el costo ecológico de transporte asociados al enviar materiales por correo.

RECICLAJE

DecoPac ha sido y continuara siendo el líder en reciclaje. Casi todo el residuo generado por nuestra compañía. Nosotros reciclamos casi el 100% de todo material de cartón y materiales de empaque. Otros artículos que son reciclados por DecoPac incluyen: partes de artefactos electrónicos, baterías, teléfonos celulares, cartuchos de impresoras, papel de impresoras, productos para decorar, botellas y latas.

PARTICIPACIÓN DE EMPLEADOS

El 100% de nuestros empleados participan en programas de reciclaje a nivel corporativo y se les enseña a reducir residuos. DecoPac también ofrece muchos servicios ecológicos a sus empleados como el reciclaje de artefactos eléctricos y baterías, programas como "Plante un Árbol", y el patrocinio de "Adopte un Parque".
